CASH REGISTER APP
INSTRUCTIONS

Checkout made EASY!

"We have an App for that!"
Makes checkout 3x FASTER!

The "Virtual Cash Register" App allows you to simply push a button on the app that corresponds to a "Price Code" found on each item. The App automatically adds up each item - making check out Fast & Easy!

Available on the App Store

We have designed a "Cash Register App" which allows you to simply push the button on the app that corresponds to the "Price Code" found on each item. The App adds up each item – making check out Fast & Easy!

How to Install
Go to the App Store for your Apple or Android device, including tablets and iPad's.
"Search" for: holiday shop cash register. Download/Install the App - **FREE**!

Log-In
Enter your Password. The password is located on the cover letter you received in your "Chairperson Materials Kit" and also on the master Inventory / Worksheet that is included with your initial shipment or just call us toll free 800-468-7511. Please note an internet connection is needed to unlock the APP. Once the APP is unlocked, it will function with or without the internet.

Settings
Your profit % is automatically set based on your contract. If you are set to "Custom Pricing", press each "Number/Code" to set your prices, then click the "Save" button at the bottom.

Checking Out Students
Simply take the gifts that a child wants to purchase and press the "Number/Code" on the app that corresponds with the number/code on the bottom of the items. Press the "Total =" to total the sale. Press "Cash" to calculate the change owed. Press "Sale Completed" to finish the sale and go to the next shopper - EASY!
