

CASH REGISTER APP INSTRUCTIONS

Cash Register APP with **FREE** Credit Card Processing *Makes checkout 3x FASTER!*

The “Virtual Cash Register” App allows you to simply push the button that corresponds to a “Price Code” found on each item. The App automatically adds up each item - making check out Fast & Easy!

VISIT your APP Store

Search for:

“holiday shop cash register”

Download/Install the App

It's FREE!

Log-In

Enter your Password. The password is located on the cover letter you received in your “Chairperson Materials Kit” and also on the master Inventory / Worksheet that is included with your initial shipment or just call us toll free 800-468-7511. Please note an internet connection is needed to unlock the APP. Once the APP is unlocked, it will function with or without the internet.

Settings

Your profit % is automatically set based on your contract. If you are set to “Custom Pricing”, press each “Number/Code” to set your prices, then click the “Save” button at the bottom.

Checking Out Students

Simply take the gifts that a child wants to purchase and press the “Number/Code” on the app that corresponds with the number/code on the bottom of the items. Press the “Total =” to total the sale. Press “Cash” to calculate the change owed. Press “Sale Completed” to finish the sale and go to the next shopper - EASY!

Credit Card Processing now available on our Smartphone APP!

Great for night & weekend sales.

All purchases automatically credit to the invoice.

To process credit cards, an internet connection is needed.
